

Princess Project Inclusion Statement

The Princess Project is an inclusive organisation. We believe that all people are made in the image of God, and we love and welcome all people equally, regardless of age, race, gender identity and expression, sexual orientation, cultural background, socio-economic status, mental or physical ability, marital status, or any other distinctions of society. All Princess Project services are open to anyone, without judgment or prejudice. Staff and volunteers at Princess Project outreach services adhere to our Talking about Faith guidelines, only talking about faith when invited to do so, and being guided by 1 Peter 3:15:

“If someone asks about your hope as a believer, always be ready to explain it. But do this in a gentle and respectful way.”

Hope Café is the Princess Project’s safe place to explore Christianity. Our community of faith welcomes, affirms, and embraces people from all family configurations, religious backgrounds, racial and cultural identities, ages, economic status, divorced, partnered, single, married, differing abilities, sexual orientations, and gender identities.

We acknowledge that there may be a range of different theological viewpoints amongst our staff and volunteer teams, and we commit to respecting each others’ views, even when we disagree, and focussing on Jesus and being his hands and feet to those he puts in our path.
